

The EDGE Model

Rank: _____ Requirement #: _____ Page #'s From Book: _____

Who Teaching: _____ When Teaching: _____

Supplies/Material Needed: _____

Assistant Scoutmaster/Scoutmaster Approval (2 weeks prior with material): _____

Explain How it is done - Tell Them

- Give written instruction or explanation

Demonstrate the steps

- Show (include role plays, videos)
- Do it yourself as they watch
- Use a diagram or Tell a story

Guide – learner as they practice

- Watch them do it and give verbal hints/tips
- Do it together (at the same time)
- Let them try it; then talk about it
- Let them ask question as they try it

Enable – succeed on own – use memory aids, practice, teach it to another

- Give them memory aid (e.g. rabbit up thru hole around tree...)
- Give them a task that requires this learning
- Ask them to teach someone the new learning
- Give them the resources to do it again without you
- Help them use the learning again in a new setting or situation

How will I EXPLAIN this information?

How will I DEMONSTRATE this information?

How GUIDE them - How will they practice?

How ENABLE - How will they remember this?
